## SPECIAL OFFER

One room per night. Subject to availability through June 2006.

Four fabulous pools and two private beaches offer plenty of choices.

This sophisticated getaway occupies its own private, 100-acre peninsula—comprised of rolling hills yielding panoramic ocean views—with two white-sand beaches flanked by either the calm Caribbean Sea or the Atlantic Ocean.

The resort's 132 guest rooms and suites perfectly reflect their tropical island setting. Cable TVs, private terraces and deep soaking tubs are all standard, while the option of two double beds makes the resort particularly appealing for families.

At St. James's Club, a social club-like ambiance prevails with visiting yachts and a European-style casino contributing a dash of international flair.

Entertainment options abound by day, with watersports galore, four swimming pools, six tennis courts and a fitness center. By night there's an enticing selection of restaurants and bars, not to mention live music and gaming tables to keep everyone entertained.

Enjoy an intimate meal outdoors under the stars.

Cool rattan and wicker set a tropical tone.
